

Public Notice – Environmental Permit

PURPOSE OF NOTICE: To seek public comment on a draft permit from the Department of Environmental Quality to limit air pollution emitted by a facility in Prince George County, Virginia.

PUBLIC COMMENT PERIOD: September 30, 2016 to October 31, 2016

PERMIT NAME: Combined New Source Review and State Operating Permit issued by DEQ, under the authority of the Air Pollution Control Board

APPLICANT NAME, ADDRESS AND REGISTRATION NUMBER: Service Center Metals; 5850 Quality Way, Prince George, VA 23875; 52460

PROJECT DESCRIPTION: Service Center Metals has applied for a combined New Source Review and State Operating Permit to increase the throughput of aluminum and flux for melting furnaces and natural gas for melting furnaces and homogenizing ovens at Service Center Metals. The State Operating Permit establishes federally enforceable limits on emissions of hydrogen chloride from the fluxing process. The permit would allow the source to operate a compact aluminum remelt facility.

HOW TO COMMENT AND/OR REQUEST A PUBLIC HEARING: DEQ accepts comments and requests for public hearing by hand-delivery, e-mail, fax or postal mail. Only conditions cited with 9 VAC 5-80-850 are open for public comment. All comments and requests must be in writing and be received by DEQ during the comment period. Submittals must include the names, mailing addresses and telephone numbers of the commenter/requester and of all persons represented by the commenter/requester. A request for public hearing must also include: 1) The reason why a public hearing is requested. 2) A brief, informal statement regarding the nature and extent of the interest of the requester or of those represented by the requestor, including how and to what extent such interest would be directly and adversely affected by the permit. 3) Specific references, where possible, to terms and conditions of the permit with suggested revisions. A public hearing may be held, including another comment period, if public response is significant, based on individual requests for public hearing, and there are substantial, disputed issues relevant to the permit.
